“ Danny was a good man, and had a heart of gold. He was always kind and good to my family. He helped me out all the time with plumbing issues around my house, and would not take hardly any money for the job he did. You could tell that he loved help people. When he would see my family and I out in town, he would always make a point to talk me and my wife and say hi to my daughter, Kennedy. He was always joking and full of life. I count it a honor to have known Danny and I will miss him.

D,

Danny, you were the sweetest brother that a sister could want. You were loved and in my heart forever. We will miss you but the years we shared are priceless. Go rest high on the mountain for your work on earth is done, amen.
