“ *There's more pictures I wish I had but I'm happy to have the memories I do :D. Love you grandpa, I still watch the battle of midway, Patton, Band of Brothers, and The Pacific. Love and miss you and can't wait until I see you again to share all my stories the same way you did with me.*

“ *George Perry was a great man. I worked with him and Genie for many, many years at the School Board. He loved to talk about the lord and practiced what he preached. He loved his children and his family more than anything in this world. I will miss our talks. I am sure he has some serious explaining to do to his farther who he said was a devoted democrat, about his republican political views. George I know you are in heaven as if they don't let you in, no one can get in. Love you brother! Genie god bless and I am so sorry for your loss.*

“ George had way to make me feel like was part of his family. His love for his family was truly inspiring. He was a great story teller. When I was struggling he wouldn't say anything. He would open his Bible and read me a comforting verse and then pray for me. This act of kindness resonated deeply within me.
My thoughts and prayers go out to all his loved ones.
