“ *A brighter light has never shown except in Harold's eye. He could capture the beauty of the tapestry of God's hand around the world with a simple camera in his hand. He loved his children beyond all his grandchildren were his greatest love and his greatest inspiration. He has been my best friend for a very long time and will be missed greatly. Peace and tranquility love and compassion and complete forgiveness comprise the greatest Gifts of all and well within the heart of those who truly walk in the similarity of Christ as Harold always did.*
