“ Jack Batey was my brother. My brother Earl and I would go and spend a few weeks with him and Evaline I the summer and go to the races with them and Roger Batey and Pete Batey always had the best time. We would get cokes and bologna sandwiches for lunch with chips and always thought that was a special treat. We would go with Evaline to get her hair fixed on Thursdays and go to the fair when it was in town. Jack loved her with all his heart he was a good man. Wish I would have spent more time with them as I got older and gotten to know more about my daddy's side of family. I never even knew my grand daddy's or my grand mothers name on his side of family.

“ I grew up with Jack—he was like my big brother and my best friend. We sure did have a great time together. Then he was drafted into the Army and after that I didn't know what to do so I joined the Navy. I will never forget those times we spent together—there are so many great memories.
I will miss him- RIP my friend.
