“ *My sympathies to the family. Jeanette was a relation and I always considered her family. I received notification after her service or I would have attempted to be present. Prayers for you Jeffery, Jo, family and friends, Lane Johnson*

“ *I am so sad to hear this. I loved her dearly my best memories of Jeanette were with Hobart. They were best friends with my mother and father Herschel and Corina Cash. She used to spoil me so bad as a child. We drove through Sardis on a visit to Alabama on Friday June 4 and drove past the store/residence she and Hobart built there. I told my son about her and how she would fill bags with candy coloring books and all sorts of toys when she knew I was coming over. Hobart would always have some KFC chicken to share. She was the best person and loved dearly by all that knew her. Condolences to Jeffrey and family.*
