“ Many years ago Marilyn, my mom FayeWilliams and I walked at 5 am 5 days a week. We talked about everything an saw some strange things in the sky. Memories I'll never forget. I loved her very much.

“ Mrs. Lane and Ray both were extremely good to me as a boy. I can remember taking my very first test in 1st grade thinking I would probably get a 100. When she graded it in front of me, it was a 65... I'll never forget how she looked at me down her glasses. I don't recall her exact words. But I do remember not wanting to disappoint her ever again... I'm already looking forward to seeing her again.

“ Marilyn was such an encourager ! She really wanted to bring out the best in those she knew as well as her students. She loved her family ! She shared so many stories with me as I stood by her in the swimming pool. I can still hear her laugh as she shared funny stories. I am glad I knew her.

“ Truly a Godly lady who was stern but fair to me. She was a loving person and inspired me my senior of High School to do my best in whatever I did. I know she is with our savior and enjoying her rewards.

“ I'm sad to hear this, she was a special lady to me when I was In school. she was my teacher for years , always encouraging, and always keeping me inline, which I sure 😊 I needed that a lot. I truly mean she was the best teacher I ever had. But I know she was saved and that I'll see her again in heaven .
