“ *The world will be different without Mona's smile. My memory of her from the many overnight visits I had with sister, Peggy, was that Mona was always friendly, sweet, and made me feel like part of the group. Earth's loss is Heaven's gain. I will remember Mona always - especially each time I see or think of any of her sweet family. She was a lovely soul.*

“ *I had the pleasure of working with Mona during my 4 year role as an account manager calling on Mitchell Grocery. She was an absolute treasure. She had a great spirit, she was kind, helpful and I loved seeing her face everytime I walked thru the office door. My heartfelt prayers go out to her family and loved one's.*
