Bob loved being outdoors and planting his yearly garden. You would always find him in his shop drinking a cold beer after a hard day moving or tending to his beautiful classic cars. He was also a big History Buff. Especially concerning WWII. Bob had an uncle die over there. He served in the Navy aboard the USS Kityhawk. There he met a lot of life long friends. He adored and loved all his family and friends alongside his 4-legged friends. Bob was very adored by all who met him. He also was a very respectful, honorable man. We will miss him deeply.
